Welcome!

Welcome back to our returning families and a warm welcome to our new families. The CKH teachers and I are here looking forward to working with you and your children throughout the upcoming year.

SCHEDULES

We do have a waiting list for several days this year. If you need to drop a day for an afterschool activity there might not be a spot open once that activity is over. Please give as much notice as possible if you need drop-in hours. If you need your child to drop-in during the morning program we need notice. You can email me the night before if needed!
